## What is Children's Day Out?

Children's Day Out provides a nurturing and wholesome environment for children between the ages of 6 weeks and 3 years. Our goal gives parents the opportunity to take a break from the important role of parenting to pursue adult leisure time interests, to run errands, go to appointments, or just relax.

Children Days Out is a nonprofit program of South Gate United Methodist Church. It is licensed through the NE Department of Social Services and taught by a qualified staff experienced in working with preschool age children.

Small classes provide children with extra attention (4:1 ratio in 6 weeks to 18 months), (6:1 ratio in 18 months & up). Activities are designed to meet the needs of each age group as children participate in learning experiences that promote social, emotional, and intellectual development.

## Registration

Prior registration is required in Children's Day Out Program. Your child may be enrolled in any combination of days, with a maximum of three days per week. Sessions are subject to change if minimum enrollment is not met. This program is not designed for occasional drop-in child care.
